

Dear Parents,

Drama will continue this year helping pupils build confidence and giving them the chance to explore creativity and unleash their imagination.

Drama is not only an incredibly enjoyable and entertaining art form but also a valuable tool for personal growth and development. Through drama, children can develop essential life skills, such as effective communication, teamwork, problem-solving, and self-expression. My drama class aims to provide a safe and nurturing environment where your child can cultivate these skills.

No previous experience is required and all are welcome.
