

Letter 'j'

Parents and Carers Information Sheet

This week, we have been learning to write the letter 'j'.

Letter Family

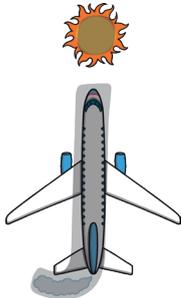

The letter 'j' is part of the **Ladder Lemur Letter Family**.

Explore at Home

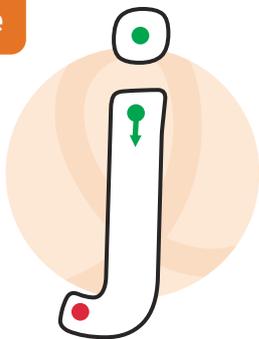

Encourage your child to trace these shapes in on the floor or in the air. It can be fun to draw them on each other's backs too. You could try using any other materials that you might have at home as well e.g. pens, pencil, paint.

Letter Formation Rhyme

Down the jet, around its trail and dot the sun.

Practise

Children should start on the green dot and finish on the red dot when writing the letter 'j'. Encourage them to say the letter formation rhyme as they write.

Parents and Carers Considerations: This resource has been created to support parents and carers in understanding how their child may gradually develop skills in letter formation, early writing and the physical skills needed for writing. It also offers practical ideas for practicing at home.

We advise you to use your judgement and knowledge of your child to plan activities and consider the appropriateness of the resources in relation to their needs, interests, emotional wellbeing and journey of development.
