

Letters 'n' and 'm'

Parents and Carers Information Sheet

This week, we have been learning to write the letters 'n' and 'm'.

Letter Family

The letter 'n' and 'm' are part of the **One-Armed Robot Letter Family**.

Explore at Home

Using modelling dough, ask your child to roll the dough into long shapes. Then, invite them to use it to create arched and straight shapes.

Letter Formation Rhyme

**Down the leaf,
up and over
the nut.**

**Down the fork,
over and over
the meatballs.**

Practise

Children should start on the green dot and finish on the red dot when writing the letters 'n' and 'm'. Encourage them to say the letter formation rhyme as they write.

Parents and Carers Considerations: This resource has been created to support parents and carers in understanding how their child may gradually develop skills in letter formation, early writing and the physical skills needed for writing. It also offers practical ideas for practicing at home.

We advise you to use your judgement and knowledge of your child to plan activities and consider the appropriateness of the resources in relation to their needs, interests, emotional wellbeing and journey of development.
